ABOUT COLORFUL YARNS

We are down are a down to earth, laid back colorful yarn shop that wants to make your hobby fun!

NOTES I wanted to make a lightweight scarf/shawl I could wear in warm weather and using this gradient cotton yarn was a natural fit for this summertime knit. (This pattern would also be great for that one skein of sock yarn in your stash.) As I was designing this scarf I thought about when I could wear it and I decided it was good for up to 80 degrees (34C) and that is the name that stuck!
